2024 SPONSORSHIP PROSPECTUS

ABOUT THE CONFERENCE

Step into a world of innovation and collaboration as the Society of Construction Law North America (SCL NA) invites you to sponsor our annual conference, set to unfold from July 10th to 12th, 2024, at the exquisite Sheraton le Centre Montréal Hotel in Montréal, QC, Canada.

Following the success of last year's dynamic conference in Boston, MA, where industry leaders shaped the future of construction law, this year's theme, "Vive les projets!: Impact des projets de construction sur nos vies - Long Live Projects: The Impact of Construction Projects on our Lives," promises a continuation of insightful discussions and groundbreaking exploration into themes that are at the forefront of our industry. Join us for an unforgettable experience in the heart of Montréal, where your sponsorship will play a pivotal role in elevating the dialogue and connections within the construction law community.

PROGRAM

The Conference will kick off on Wednesday, July 10th, with a reception in the Sheraton hotel to welcome all of our delegates to the conference.

The Sheraton Hotel will be a fantastic setting for the formal conference program which will commence on Thursday, July 11th, with a full day of presentations. Our speakers and panel members are eminent international practitioners in the construction industry, invited because of their knowledge, experience, reputation and ability to address the breadth of issues in the program.

The Conference presents an ideal opportunity to learn about current trends and issues, and network with some of the world's leading industry practitioners while earning valuable (US & CAN) CLE credits.

On Thursday evening, July 11th, we will be hosting the Conference Gala Dinner. The evening will commence with a cocktail reception, followed by a 3-course meal and key note speaker Danièle Sauvageau.

The evening will conclude with a karaoke band performance. Tickets for the gala dinner can be purchased independently of the conference if you wish to bring colleagues, clients or spouses.

This year the SCL conference committee has once again organized social activities to allow you to enjoy the city with your partner and/or to network with others from the conference. Sample Montréal's famous bagels, poutine and other delicacies on a culinary walking tour on Wednesday, July 10th. Extend your stay in Montréal and meet with conference attendees on Saturday morning, July 13th, to see the sights of Montréal on a private bus tour.

The substantive portion of the conference will conclude on Friday, July 12th, at 5:00 PM with a closing drinks reception, after a full day of presentations.
